

Additions and Corrections

Vol. 4, 2002

Alexandre Alexakis* and Karine Croset

Tandem Copper-Catalyzed Enantioselective Allylation–
Metathesis.

Pages 4147 and 4148. The stereochemistry of phosphorus ligands **5–9** was drawn incorrectly in the Abstract and in Figure 1. The corrected structures are shown below.

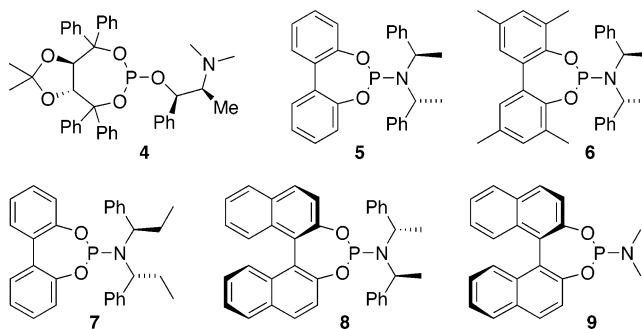

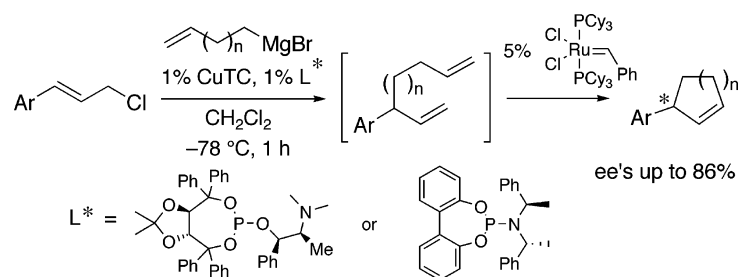

Figure 1. Chiral ligands used in this work.
