Enantioselective Aldol Cyclodehydrations Catalyzed by Antibody 38C2.

Page 59, paragraph 1, line 10. Two words were inadvertently omitted from the last sentence of this paragraph during the production process. This sentence should read as follows: Examples include the esterase-catalyzed hydrolysis of *meso*-diesters and the reverse reaction, the lipase-catalyzed desymmetrization of *meso*-diols.<sup>4</sup>
