

Additions and Corrections

Volume 6, 2004

Kateri A. Ahrendt and Robert M. Williams*

A Concise Asymmetric Synthesis of the ADE Fragment of Nakadomarin A.

Page 4540. The absolute configuration of compound **11** is (*R*), not (*S*). Compounds **8**, **9**, **15**, **19**, and **20** also have the (*R*)-configuration at the diol subunit. The correct structures are indicated below.

OL050201D
