

Correction to “Time-Dependent Density Functional Theory Studies of Optical Properties of Ag Nanoparticles: Octahedra, Truncated Octahedra, and Icosahedra”

Gyun-Tack Bae and Christine M. Aikens*

J. Phys. Chem. C **2012**, *116* (18), 10356–10367. DOI: 10.1021/jp300789x

Figure 2 was inadvertently printed in the place of Figure 1. The misprinted Figure 1 has been replaced by the original submitted Figure 1.
