

Correction to “Reaction Kinetics of CO₂ Carbonation with Mg-Rich Minerals” [*The Journal of Physical Chemistry A* **2011**, *115*, 7638–7644. DOI: 10.1021/jp2040899]. Soonchul Kwon, Maohong Fan,* Herbert F. M. Dacosta, Armistead G. Russell, and Costas Tsouris

(E11) on Page 7642 should be

$$k = 2.3 \times 10^6 e^{-5193/T} \text{ (kmol}^6 \cdot \text{kg} \cdot \text{min)}$$

The negative sign “−” was missing in the superscript.
