Synthesis of Novel 11-Desmethyl Analogues of Laulimalide  
by Nozaki–Kishi Coupling.

Page 1295. In the version of the Supporting Information published March 19, 2004, the spectral data and copies of NMR spectra of compound **2** were incorrectly submitted. The corrected version of the Supporting Information was posted March 6, 2006. The reported synthetic route to **2** was validated and further optimized (Paterson, I.; Menche, D.; Håkansson, A. E.; Longstaff, A.; Wong, D.; Barasoain, I.; Buey, R. M.; Díaz, J. F. *Bioorg. Med. Chem. Lett.* **2005**, *15*, 2243). We thank Prof. Paul Wender for helpful discussions.
