

Additions and Corrections

2008, Volume 51

Xiongyu Wu, Per Öhrngren, Jenny K. Ekegren, Johan Unge, Torsten Unge, Hans Wallberg, Bertil Samuelsson, Anders Hallberg, and Mats Larhed*: Two-Carbon-Elongated HIV-1 Protease Inhibitors with a Tertiary-Alcohol-Containing Transition-State Mimic.

Pages 1054 and 1055. A printing problem relating to Scheme 3 resulted in the below listed errors. The corrected version of the manuscript was reposted on March 14, 2008.

Page 1054. Left column, lines 29–30, 34–35, and 37–38 should indicate “Scheme 3” instead of “Scheme UNDEFINED: PLEASE CHECK”.

Page 1054. Right column, line 4 should indicate “Scheme 3” instead of “Scheme UNDEFINED; PLEASE CHECK”.

Page 1054. Right column, line 5 is the title to Scheme 3 appearing on page 1055. Right column, lines 6–13 are the footnotes to Scheme 3 appearing on page 1055.

Page 1055. Table 1 should be in the right column.

Page 1055. Scheme 3 should be in the left column with the title “Scheme 3. Synthesis of Inhibitors **12a–w** and **13–15**” (found on page 1054, line 5) and with its footnotes (found on page 1054, line 6–13).
