

Correction to “Double-Roaming Dynamics in CH₃CHO Dissociation”

Yong-Chang Han and Joel M. Bowman*

This paper was withdrawn at the request of the author and with approval of the Editor-in-Chief because further verification of the conclusions was needed, based on some tests performed subsequent to the paper's acceptance for publication. The original article was published as a Just Accepted Manuscript on December 8, 2011, and withdrawn on February 21, 2012. The PDF content of the original Just Accepted Manuscript accompanies this Addition/Correction as Supporting Information.
