Volume 12, 2010

Abdelkrim El Kadib,* Karine Molvinger, Mosto Bousmina, and Daniel Brunel

Improving Catalytic Activity by Synergic Effect between Base and Acid Pairs in Hierarchically Porous Chitosan@Titania Nanoreactors.

Pages 948 and 949. Following publication, it was pointed out to the authors that the photo of chitosan@titania hybrid material shown in the graphical abstract and Figure 2 was wrong.

Accordingly, the correct photo of chitosan@titania **M1H** is provided here.
