

Correction to “One-Photon Plasmon Luminescence and Its Application to Correlation Spectroscopy as a Probe for Rotational and Translational Dynamics of Gold Nanorods”

Alexei Tcherniak, Sergio Dominguez-Medina, Wei-Shun Chang, Pattanawit Swanglap, Liane S. Slaughter, Christy F. Landes,* and Stephan Link*

J. Phys. Chem. C **2011**, *115* (32), 15938–15949. DOI: 10.1021/jp206203s

The function σ used in eq 6 on page 15940 is incorrect. The correct function is $\sigma = -0.662 + 0.917(d/L) - 0.05(d/L)^2$. This error occurred during the production of the manuscript and therefore had no effects on the rotational diffusion parameters presented in this Article.
