

Additions and Corrections

Volume 7, 2005

Alan Whitehead, Matthew D. McReynolds, Joel D. Moore, and Paul R. Hanson*

Multivalent Activation in Temporary Phosphate Tethers: A New Tether for Small Molecule Synthesis.

Page 3378. The optical rotation for compound **4** given on p 3 of the Supporting Information was incorrect. The optical rotation for compound **4** is +29.9 (rather than −29.9). A corrected version of the Supporting Information is included.
