

Correction to “Azimuthal Dichroism in Near-Edge X-ray Absorption Fine Structure Spectra of Planar Molecules”

Guido Fratesi,* Valeria Lanzilotto, Luca Floreano, and Gian Paolo Brivio

J. Phys. Chem. C **2013**, *117* (13), pp 6632–6638. DOI: 10.1021/jp312569q

Figure 3 in the originally published article was incorrectly reproduced (panels b, c, and d therein). The correct Figure is reported as Figure 1 of this Correction.

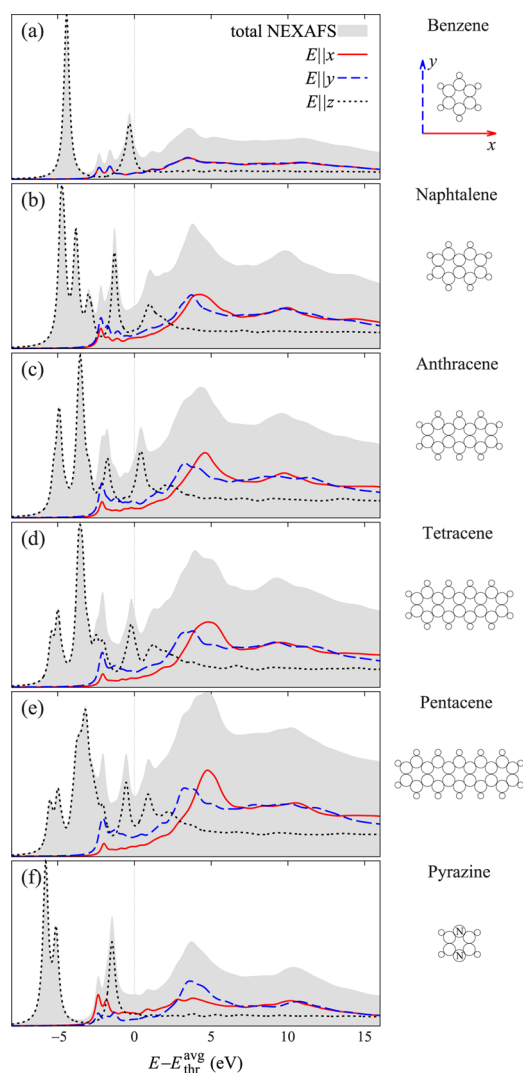

Figure 1. Simulated NEXAFS spectra of (a) benzene, (b) naphthalene, (c) anthracene, (d) tetracene, (e) pentacene, and (f) pyrazine.
