This paper by Biris et al., DOI: 10.1021/jp0740346, was retracted at the request of the Editor-in-Chief due to violations of the Ethical Guidelines to Publication of Chemical Research of the American Chemical Society for reason of unacceptable redundant inclusion of text and graphics contained within a previously published paper in *Chemistry of Materials* (DOI: 10.1021/cm062237l) and duplicated in *The Journal of Physical Chemistry C* and *ACS Nano* (DOI: 10.1021/nn900887m). According to the ACS's Ethical Guidelines, this constitutes plagiarism, and the manuscript has been retracted. The original *J. Phys. Chem. C* paper was published ASAP on October 16, 2007 and withdrawn on August 20, 2012.
