

## Correction to “Structural and Electronic Properties of $\text{Si}_n$ , $\text{Ge}_n$ , and $\text{Si}_n\text{Ge}_n$ Clusters”

Habib ur Rehman, Michael Springborg\* and Yi Dong

*J. Phys. Chem. A* **2011**, *115*(10), 2005–2015. DOI: 10.1021/jp109198r

In the production of our manuscript, a wrong figure was inserted as Figure 14. In this document we reproduce the correct one.

**Figure 14.** Different similarity functions. The structures that are being compared are given in the individual panels. For further details, see the text.
