

Correction to “Effects of Coherent Interactions on the Sensing Characteristics of Near-Infrared Gold Nanorings”

Hao Jiang, Jayshri Sabarinathan,* and Silvia Mittler

J. Phys. Chem. C **2010**, *114*, 15243–15250. DOI: 10.1021/jp1003598

Silvia Mittler was added as an author to this paper and is at the Department of Physics and Astronomy, University of Western Ontario, London, Ontario, Canada. We would like to add the following Acknowledgment.

■ ACKNOWLEDGMENTS

The authors acknowledge student funding for Hao Jiang from BiopSys (NSERC Network Centers for Excellence) grant.
