

## Additions and Corrections

---

Vol. 5, 2003

**Weiqin Jiang, Xuqing Zhang, and Zhihua Sui**

Potassium Superoxide as an Alternative Reagent for Winterfeldt Oxidation of  $\beta$ -Carbolines.

Page 44, paragraph 3. After the statement of the scale of the reaction, the statement "Caution should be taken when using  $\text{KO}_2$ , since it is explosive" should be added.
