

Additions and Corrections

Volume 5, 2003

Amit K. Galande* and Arno F. Spatola

Solid-Phase Synthesis of Disulfide Heterodimers of Peptides.

Page 3432. Scheme 1 of the original manuscript is incorrect. The corrected version of Scheme 1 is given below. In the precursor of template **1**, Npys-protected cysteine constitutes a disulfide bond as shown below, not a thioether bridge as shown in the original manuscript.
