

Correction to “Optical Tracking of Single Ag Clusters in Nanostructured Water Films”

Stefan Krause,* Martin Hartmann, Ingolf Kahle, Martin Neumann, Mario Heidernätsch, Stefan Spange, and Christian von Borczyskowski

J. Phys. Chem. C **2013**, *117* (47), 24822–24829. DOI: 10.1021/jp407667v

Equation 3 on page 24826 is incorrect. To be correct the equation should be

$$C(d_{\text{diff}}) = \sum_{j=1}^3 A_j \exp\left(-\frac{d_{\text{diff}}}{D_j}\right)$$

It has to be emphasized that this formal mistake has absolutely no effect on any other value, diagram, or other result within the published article as the correct equation has already been used for every further data analysis.
