

Correction to Effect of Titanium Doping of Al(111) Surfaces on Alane Formation, Mobility, and Desorption

I. S. Chopra,* S. Chaudhuri, J.-F. Veyan, J. Graetz, and Y. J. Chabal

J. Phys. Chem. C **2011**, *115*, 16701–16710 DOI: 10.1021/jp203842r

The acknowledgment section presently reads as:

“The authors are grateful to Prof. Wiley Kirk for performing the molecular hydrogen flux calculations and to D. Stimson for technical support. We gratefully acknowledge useful discussions with Jim Muckerman and Altaf Karim at Brookhaven National Laboratories. This work was fully supported by Division of Chemical Sciences, Office of Basic Energy Sciences (DE-FG02-08ER46491). S.C. acknowledges the Office of Naval Research (N00014-04-1-0688 and N00014-06-1-0315).”

The correct acknowledgment should be:

“The authors are grateful to Prof. Wiley Kirk for performing the molecular hydrogen flux calculations and to D. Stimson for technical support. We gratefully acknowledge useful discussions with Jim Muckerman and Altaf Karim at Brookhaven National Laboratories. This work was fully supported by the Office of Basic Energy Sciences, U.S. Department of Energy under Contract No. DE-AC02-98CH10886. S.C. acknowledges the Office of Naval Research (N00014-04-1-0688 and N00014-06-1-0315).”
