(1) Corresponding author e-mail address needs to be updated. The scott.shackelford@edwards.af.mil e-mail address is now inactive, and scottshack@roadrunner.com replaces it.

(2) In Table 3 on page 2626, the designation  $X = H$  for the 1-ethyl-3-methylimidazolium carborane salt **11** is incorrect; this entry should be changed to  $X = CH_3$ .
